

How to Log in to the ACTO Platform

How to Log in to ACTO on a Mobile Device

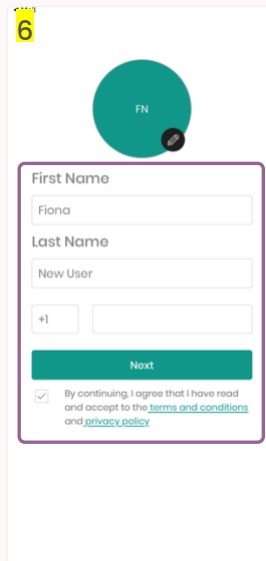

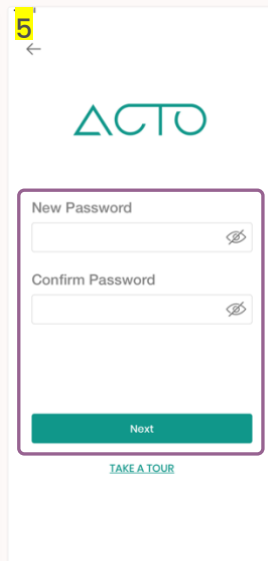

Download [ACTO Omnichannel](#) from the [Apple](#) app store. Please follow the step-by-step image guides below to log in to ACTO on your mobile devices including iPhones and iPads.

1. Open the app after downloading it. Then click the [Login](#) button.

2. You will be asked to enter your company domain name. This can be found in your ACTO welcome email. Enter it and click [Next](#).

3. If this is your first time on ACTO click [Yes](#) to verify your email. Check your email inbox for an email from ACTO titled [Verify Email](#). Click the Verification link in the email.

4. Enter your email. Then click [Verify Email](#).

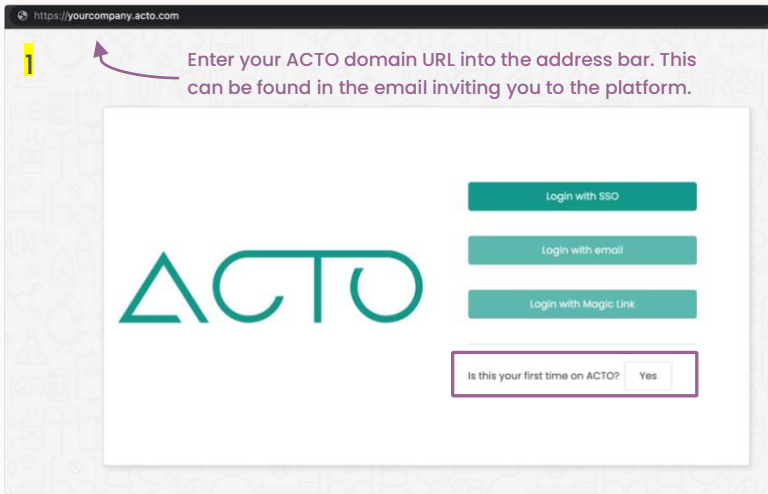

5. Create and confirm a password. Click [Next](#).

6. Enter your first and last name. Click the [Terms and Conditions](#) and [Privacy Policy](#) checkbox. Then click [Next](#). This will log you in to the app.

How to Log in to ACTO using a Web Browser

The user experience when logging in to ACTO via web browser is similar to your mobile device. When logging in to ACTO on your computer, please use **Google Chrome** or **Mozilla Firefox** browsers for the best experience.

1. Enter your company's ACTO URL in your browser's address bar. This will usually be formatted like: *companyname.acto.com*. If this is your first time logging in, click **Yes**.

2. Enter your email address and click **Send email**. You will be sent a verification email.

3. In the verification email, click **Verify Email**.

4. Create a new password. Click **Next**.

5. Enter your first and last name. Click the **Terms and Conditions** and **Privacy Policy** checkbox. Then click **Finish** to log in.
